## THE BIBLE BY JESUS

Dr. Elmer Towns

### JESUS DESCRIBES CREATION

*“In the beginning I conceived the idea of heaven and the earth. Then I created them out of nothing. Before that nothing existed. I created My abode—heaven—where one day My children will live with Me. I also created My throne and angels who sing, ‘Holy . . . Holy . . . Holy!’ I with My Father and the Holy Spirit, We created the earth, a huge watery mud ball. I created a black-inky darkness that surrounded all things. God the Holy Spirit hovered over creation infusing all things with life-charged energy. ‘Let there be light,’ I said. Instantly light appeared and I saw that light was good. So I separated light from darkness and name the light day, and the darkness I called night. It was good. Then evening ended the first day.”*

### A. A BIBLE WITH JESUS

What if you could sit down with Jesus and let Him tell you His story how He was born, grew up, and how His life changed those around Him. Jesus would love to tell you about His death and resurrection. His story \_\_\_\_\_.

My motivation for this book is for you to learn how much Jesus loves and cares about your right where you are. Learning from Him will make a \_\_\_\_\_.

From the beginning Jesus is called the Word. So Jesus with the Father, and Holy Spirit, inspired human authors to write His messages in the Bible. Inspiration means more than \_\_\_\_\_, it is God breathing \_\_\_\_\_ into His Word. When you read, memorize and meditate, God’s life fills you . . . influences you . . . saves you . . . and will transform you.
