## Unwrap Your Gifts

In 1 Peter 4:10, the apostle Peter instructs believers, "As each has received a gift, use it to serve one another, as good stewards of the manifold grace of God" (ESV). The phrase *manifold grace of God* captures the richness and diversity of God's grace, expressed through the unique gifts and talents bestowed on each believer. Peter's words remind us that God's grace is an incredible reality that equips us for various roles within the body of Christ.

The manifold grace of God is evident in the variety of spiritual gifts given to believers. Paul, writing to the Corinthians, explains the diversity of these gifts: "Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of activities, but it is the same God who empowers them all in everyone" (1 Corinthians 12:4-6, ESV). This diversity reflects the manifold grace of God, as His grace manifests in many forms, each suited to the specific needs within the Church. This dynamic expression of grace allows the Church to function as a unified body, with each member contributing uniquely to the mission of Christ.

The manifold grace of God is not just about the diversity of gifts but also the different ways His grace operates in our lives. James 1:17 reminds us, "Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change" (ESV). The manifold grace of God is evident in how He meets us in different circumstances, providing exactly what we need at just the right time. Whether it is strength in suffering, wisdom in decision-making, or comfort in grief, God's grace is sufficient and perfectly tailored to our situations.

We are called to be "good stewards" of the manifold grace of God. Stewardship takes responsibility and intentionality. We are not to hoard or neglect the gifts God has given us but rather to use them actively for the benefit of others. As Peter writes, "Whoever speaks, as one who speaks oracles of God; whoever serves, as one who serves by the strength that God supplies—so that in everything God may be glorified through Jesus Christ" (1 Peter 4:11, ESV). When faithfully stewarded, God's manifold grace brings glory to God and edifies the Church.
